The Asloun ought to be in tomorrow.

The Board of Health meets this afternoon.

Judge Hartwell and family are rusticating on Maui.

If you don't get your paper, ring up 841-THE INDEPENDENT.

To be or not to be "by Crecle" is now the question in nacing circles. There has been a constant stream

of messengers carrying presents and favors to the Neumann residence today.

A number of young boys and girl have asked The Independent if there is a dancing school in town. Who can answer?

Creole presents himself to the public in to-night's issue. Stock owners will do well in taking advantage of the famous stallion.

Rep. Kamauoha, the full-fledged lawyer of the choice of the C. J., has gone to Hawaii, to paralyze his old compatriots with his new honors.

Geo. Lycurgus left on the Clau dine last evening. He will pay a short visit to Hilo and collect another \$14,000. Where is he going

Several local horsemen have heard from Agnew. There are some pros-pects of a number of new trotters being sent to Honolulu, if anybody has money to buy them.

The credit sale to the trade of H. Hackfeld & Co., conducted by J. F. Morgan, is heavily patronized by the local store-keepers. The sale will be closed to morrow.

Housekeepers will do well in calling at the store of L. B. Kerr and inspecting his large stock of towels and linen glass cloth. A large assort-ment at very reasonable prices. *

A report is afloat that Pawaa was visited by a couple of "snake charmers" a few days ago, and that the wife of a judge in the vicinity was accidentally injured. Full particulars are wanting.

The private exhibition which it was suggested that Miss Abbott should give has been indefinitely postponed. The length of her stay is too short and proper accommodations are wanting tions are wanting.

L. B. Kerr still offers some feathers and flowers for the ladies who desire to be well dressed. If they don't take their pick quickly the sharp-shooters will buy the whole lot for their "pretty clothes."

Those Trimmed Ladies' Leghorn Hats, that N. S. Sachs is selling for \$1, are going like hot cakes; and Children's Trimmed Sailors for 50 cents are almost out of sight. This is the last week for bargains in millinery.

Will the Stars or the Unknowns win the game next Saturday? THE INDEPENDENT has got eleven tips one way and eleven the other. We feel like Sam Damon. Don't know what way to jump. If the Stars don't shine the result will be Unknown.

Young people who now contem-plate matrimony and want to furnish bowers for their worship of Cupid can find just what they want in the line of picturesque and suitable curtains and draperies at L. B. Kerr's store. Creton and art muslin is the very thing.

Miss Helen Dauvray, the talented American actress, will give a dramatic recital at Y. M. C. A. hall on next Tuesday evening. The programme will be announced on Friday. Seats will be on sale on Saturday and the seat of t day morning at Hobron's drug store.

The officers of the Bennington were entertained last night by Minister and Mrs. Willis at a most enjoyable card party. The Honolulu society people present were charmed by meeting dear old Elliot once more. The big lieutenant is always welcome in Honolulu.

Cecil Brown is having a new pane of glass placed in the door of his office. Kauhane, an old drunk, put his foot through it. He probably wanted to borrow some money from Cecil. He didn't get the coin, but he got a policeman and, also, as Mr. McStocker would say, "where the chicken got the axe."

A paragraph in the Advertiser this morning creates the wrong impression that the Hawaiian Gazette Company has something to do with the building now under erection on King street. The von Holt estate is the sole proprietor of the building, and Mr. H. von Holt represents the estate. The Hawaiian Gazette Company and W. W. Dimond will be tenants of the new structure.

What is up? Brother Kinney was seen sitting in deepest meditation outside the "Fire House" on King street this morning, at 6:30, con-templating the well-known money of the company. Is that how he gets his points of law and defeats the bad, bad claimants? Or is it only money tricks?

The wedding of Miss Anita Neumann and Consul Herman Fock-takes place this evening. A reception will be held at the residence of the bride's parents to-night. The young couple will spend their honeymoon at Sans Souei, and later occupy the premises of Mr. Ernest Wodehouse on King street.

C. F. Horner who has sold his interest in Labaina plantation and who cleared up a cool \$40,000, will leave on the Australia next week and take his beautiful mare Loloka-lani to the Coast. The mare is one those excellent horses bred at Mokuleia by the Gays. Horner bought her at a faucy price.

CREOLE,

of

Sans Souci.

The most lovely spot on Oahu is Sans Souci. This favorite seaside resort, which has been immortalized by the pen of Robert L. Stevenson, who resided there for months, is only four miles from Honolulu and within easy reach of the transcars. The surroundings and bathing at this famous resort are superior to anything found in the Hawaiian Islands. Cottages and board can be obtained on easy terms. The table set by the manager is better than any offered here at other ho-tels. For picnics, bathing parties and outings the best accommodation can be secured by giving notice to the manager.

Children Wanted.

In one of her very interesting "lests" Miss Abbott uses a number of children. Parents purchasing tickets before 5 o'clock to morrow can be provided with free tickets for a limited number of children to 12 years of age, girls and boys.

DESCRIPTION AND TERMS:

"CREOLE" is the gamest, fastest and best bred stallion that has ever been imported into the Hawaiian Islands. He reduced his record of 2:20 to 2:18 in Petaluma, Cal., Angus 24, 1894, distancing his whole fie'd in the first heat; then again to 2:15 in Stockton Cal. September 23, 1894, winning the first heat in 2:15½, fourth heat in 2:15, and fifth heat in 2:19½, proving that he is a remarkably game as well as a speedy race horse. ("Creole by Prompter out of Grace by Buccaneer shows that he is capable of getting a mark of 2:10, and is one of the gamest stallions seen this year, and besides being game, is one of the best formed and remarkably intelligent "—Breeder and Sportsman, Nept. 25, 1894.) He is 15½ hands high and of powerful build throughout. He color is glossy black with one white hind foot. His disposition is all that could be desired and his action superb. He is a sure foal getter.

A Word to the Wise

While people are complaining of dull times and no money, we are busy showing every CASH Customer who comes into our establishment, that the purchasing power of his dollar is greater with us than elsewhere. We believe that every purchaser who buys a good article cheap, gets into a good humor with himself, and by natural process, with his neighbors also; which goes a long way to relieve the oppressive feelings of dull times. To feel pleased with ourselves and one another no better opportunity offers than to trade at the Grocery Store of
